

**List of Employees (Partial) of the J.A. Jones Construction Company, Brunswick
Shipyards, where Liberty Ships were built during World War II**

1942-1945

This list of shipyard employees was originally compiled as a community effort during commemorative activities held in Brunswick, Georgia. It was later donated to the Coastal Georgia Historical Society.

The Society requests your help in making the list more accurate and complete. Please contact us at admin@coastalgeorgiahistory.org if you have names that should be added to the list. Also, let us know if corrections should be made to names already included.
